(2) The authority licensing such business grants to licensees of the City making deliveries within its jurisdiction the same privileges, upon substantially the same terms as are granted by this Section; and

(3) Neither the property delivered nor any of the facilities by which it was manufactured, produced or processed are subject to inspection by authority of the City for compliance with health or sanitary standards prescribed by the City; and

(4) The truck or other conveyance by which such delivery is made prominently displays at all times a license plate or symbol issued by the licensing authority to evidence such business license. Such plate or symbol shall identify the licensing authority by which it is issued, shall indicate that it evidences a license issued thereby, and shall specify the year or term for which it is effective.

(b) Nothing in this Title shall be construed as requiring the City to take any affirmative action to notify businesses, owners, licensees, or applicants of any time periods and/or deadlines or the effect of noncompliance with said time periods and/or deadlines set forth in this Title relating to the application, issuance, renewal, expiration, appeal or other action relating to business licenses, alcohol licenses, or any other licensing matters as set forth in this Title.

(e) "Place of Business" means each separate location maintained or operated by the licensee within the City from which business activity is conducted or transacted.

6A-02-020. Provisions as Regulatory Measure.

The ordinance codified in this Chapter is intended to serve as a means for the City to recoup the administrative costs associated with issuance and renewal of business licenses issued within the City.

6A-02-030. License Fee - Required to Do Business.

It is unlawful for any person to engage in business within the City without first paying all license fees required by this Chapter, as set forth in the City's Consolidated Fee Schedule, and any other City or State taxes, fees or assessments.

6A-02-040. License Fee - Not Required When.

No license fee shall be imposed under this Chapter upon any person:

(a) Engaged in business for solely religious, charitable or other types of strictly nonprofit purpose who is tax exempt in such activities under the laws of the United States and the state of Utah;

6A-02-050. License Fee Additional to all Regulatory Licenses.

The license fee imposed by this Chapter shall be in addition to any and all other taxes or license fees imposed by any other provisions of the ordinances of Fruit Heights City.

6A-02-055. Board of Equalization.

The City Council is hereby constituted a board of equalization for the equalization of license rates. The board shall have the authority to examine license fee information, to hear complaints of persons aggrieved by their license assessments, and to make corrections of any assessments found to be illegal, unequal or unjust. Any corrections made by said board shall be entered in a record of license abatements and the members of the board shall approve the entries before the City may adjust the accounts. The board shall meet as needed which shall ordinarily be during regular City Council meetings. All complaints made before the first day of January of each year must be presented to the board prior to January 31 or be forever barred, and all complaints made subsequent to the first day of January must be presented to the board within thirty days of the date of assessment.

6A-02-060. Fee - No Undue Burden on Interstate Commerce.

None of the license fees provided for by this Chapter shall be applied so as to occasion an undue burden on interstate commerce. In any case where a license fee is believed by a licensee or applicant for license to place an undue burden upon such commerce, such person may apply to the City Council for an adjustment of the fee so that it shall not be discriminatory, unreasonable or unfair as to such commerce. Such application may be made before, at or within six (6) months after payment of the prescribed license fee. The applicant shall, by affidavit and supporting testimony, show the method of applicant's business, the gross volume or estimated gross volume of business, and such other information as the Council may deem necessary in order to determine the extent, if any, of such undue burden on such commerce. The Council may designate a person to conduct an investigation, comparing the applicant's business with other businesses of like nature. The

Council or the Council's designee shall make findings of facts; shall determine whether the fee fixed by this Chapter is discriminatory, unreasonable or unfair as to applicant's business; and shall determine, or if investigated by the Council's designee, shall recommend to the Council, a license fee for the applicant in an amount that is nondiscriminatory, reasonable and fair. If the Council is satisfied that such license fee is the amount that the applicant should pay, the license fee shall be fixed in such amount. If the regular license fee has already been paid, the Council shall order a refund of the amount over and above the fee fixed by the Council. In fixing the fee to be charged, the Council shall have the power to use methods which will assure that the fee assessed shall be uniform with those assessed on businesses of like nature.

6A-02-070. License Fees Levied.

(a) Fees for Businesses Located in the City. There is hereby levied upon the business of every person engaged in business in the City at a place of business within the City, an annual license fee as set forth in the City's Consolidated Fee Schedule.

(b) Fee for Applications filed after June 30th. The Business License Fee for any license application filed after June 30th of any year shall be one-half the amount of the fee that would be payable for a full year license.

(c) Nonrefundable Application Fee. In the event any initial or renewal business license application is denied by the City or is withdrawn by the applicant, the City shall be entitled to retain the sum of thirty-five dollars (\$35) as a nonrefundable business license application fee from any license fees paid or payable to the City, unless another nonrefundable business license application fee is otherwise provided for under the ordinances of the City.

(d) Enhanced Service Fees. It is hereby determined by the City Council of Fruit Heights City that Police Services are provided at enhanced levels to some businesses within the City. The Council has considered the number of calls for police service from all businesses within the City occurring over a period of one year and hereby determines that 5 police calls per year represents the basic level of municipal services provided by the City. The Council further determines that for each police call in excess of 5 for a calendar year, the business receives an enhanced level of municipal services, and that a fee of \$20.00 for each police call in excess of 5 is an amount that is reasonably related to the City's cost of providing the enhanced municipal services. For purposes of calculating the portion of the business license fee which is allocable to "enhanced service fees," the City shall determine the number of police calls received for the business by the City during the twelve month period immediately preceding the date of application and shall fix the fee in an amount that is reasonably related to the City's cost to provide the municipal service. However, the enhanced service fee related to calls for police service shall not, in any case, exceed \$500.00.

(e) Fee for Special Hearings. Any person desiring a license for which a special public hearing is required shall pay the hearing fee listed in the appendix before said hearing shall be set or advertised.

6A-02-080. Joint Licenses.

Whenever any person is engaged in two or more businesses at the same location within the City, such person shall not be required to obtain separate licenses for conducting each of such businesses, but shall be issued one license which shall specify on its face all such businesses. The license fee shall be computed as if all said businesses were one business being conducted at such location. Where two or more persons conduct separate businesses at the same location, each such person shall obtain a license for such business and pay the required license tax for such business.

6A-02-090. Branch Establishments.

A separate license must be obtained for each branch establishment or location of business engaged in, within the City, as if such branch establishment or location were a separate business, and each license shall authorize the licensee to engage only in the business licensed thereby at the location or in the manner designated in such license, provided, that warehouses and distributing places used in connection with or incident to a business licensed under this Chapter shall not be deemed to be separate places of business or branch establishments.

6A-02-100. License Fees - Debt to City - Collection.

Any license fee due and unpaid under this Chapter and all penalties thereon shall constitute a debt to Fruit Heights City, and shall be collected by court proceedings in the same manner as any other debt in like amount, which remedy shall be in addition to all other existing remedies.

6A-02-110. Fees - Delinquent Payments - Penalty.

License fees for renewal of an existing business license shall be due on or before January 1st of each year. In the event any fee is not paid on or before such date, a penalty shall be assessed pursuant to the provisions of Section 6A-01-100 of this Title, or its successor section, which penalty shall become part of the license fee imposed by this Chapter.

6A-02-120. Information Not to be Made Public.

(a) Information furnished to the License Official, as required by this Chapter, shall not be made public nor shall it be subject to the inspection of any person except the City Manager or his or her authorized agent. Records provided to the City under this Chapter are hereby classified as Private as defined in *Utah Code Ann.* §63G-2-302.

(b) It is unlawful for any person to make public or to inform any other person as to the content of any information provided in conjunction with a license application, or to permit the inspection of any such information, except as is authorized in this Section.

6A-02-130. Recordkeeping Required.

It shall be the duty of every person liable for the payment of any license fee imposed by this Chapter to keep and preserve for a period of three (3) years such books and records as will accurately reflect the amount of any license fee for which he or she may be liable under the provisions of this Chapter.

6A-02-140. Filing False Return Prohibited.

It is unlawful for any person to make a return that is false, knowing the same to be so.

(a) The Business License Official shall have the authority without a hearing, to deny a license for the reasons provided for in this Chapter.

(b) The Business License Official shall have the authority to suspend or revoke a license without a hearing, for reasons provided for in this Chapter. However, the suspension or revocation shall not take effect until the time period for appealing the decision as set forth in this Chapter has passed.

(c) The Business License Official may, on his/her own initiative or in response to complaints from the general public or any City department or division, investigate and gather evidence of violations of this Title or other circumstances which may give rise to a denial, suspension or revocation.

6A-03-040. Procedure for Suspension or Revocation.

The Business License Official shall cause written notice to be given by personal service or registered mail to the licensee at the licensee's business address of his or her decision to suspend or revoke a license, the reason for such decision, that operation of a business after the effective date of the suspension or revocation is a Class B misdemeanor, the licensee's right to appeal the Business License Official's decision and have a hearing, and the appeal procedure.

6A-03-050. Appeal Procedure.

(a) Appeals of the Business License Official's decision to deny, suspend or revoke a license may be made by filing a written notice of appeal with the City Manager within fifteen (15) days of receipt of the notice of denial, suspension or revocation. (e) Any oral or documental evidence may be received, but the City Manager shall exclude all privileged, irrelevant, immaterial, or unduly repetitious evidence.

(g) If the denial, suspension, or revocation appealed from is based on a determination by the Business License Official that grounds existed pursuant to this Code, the City Manager may examine the factual nature of the grounds and determine whether such grounds are sufficient to sustain the decision of the Business License Official.

(h) The City Manager does not have the authority to waive compliance with applicable provisions of the Business License ordinances, nor can the Manager extend deadlines set forth in the ordinances or change the substance or form of the ordinances.

The Certificate of Registration shall be issued within five (5) business days following the applicant's completion of registration, unless one of the circumstances listed in Subsection (e)(4) of this Section applies.

(7) Form of Certificate and Badge.

(i) Each Certificate of Registration issued by the Registration Officer shall be numbered, shall list the name of the individual solicitor and of any organization on whose behalf the registered solicitor is authorized to solicit, the date on which the Certificate of Registration expires, and shall be dated and signed by the Registration Officer or his or her authorized designee.

(ii) Each registered solicitor shall wear a badge prominently on his or her person, consisting of a copy of the Certificate of Registration issued by the City, a 1 ½ inch by 1 ½ inch (approximate) photograph of the solicitor that was taken within one year preceding the issuance of the Certificate of Registration to be supplied by the solicitor, and the name and address of any entity with which the solicitor is associated. Such badge shall be worn at all times while the solicitor is engaged in soliciting.

(iii) All badges are and remain the property of the City.

(iv) By issuing a Certificate of Registration, the City does not guarantee the accuracy of any representation contained in the application for registration or the Certificate of Registration, nor does it warrant that any statement made by the registered solicitor is truthful. The City makes no certification as to the worthiness of any organization, its products or services, on whose behalf a solicitation is made nor as to the moral character of the registered solicitor.

(v) The following statement shall appear on each Certificate of Registration: "FRUIT HEIGHTS CITY MAKES NO CERTIFICATION AS TO THE WORTHINESS OF ANY ORGANIZATION, ITS PRODUCTS OR SERVICES, ON WHOSE BEHALF A SOLICITATION IS MADE NOR AS TO THE MORAL CHARACTER OF THE REGISTERED SOLICITOR."

(8) Renewal. A Certificate of Registration shall be valid for a period of one (1) year from the date of issuance. Any registered solicitor in good standing may have his or

her Certificate of Registration renewed for an additional period of not to exceed one (1) year upon request within thirty (30) days prior to the expiration of the Certificate of Registration and payment of a renewal fee as set by the City from time to time; provided, however, that the total of any such fee shall not exceed reasonable administrative costs incurred by the City to process the Certificate of Registration renewal and maintain the related records. (9) Non-transferability. Certificates of Registration shall be issued only in the name of the applicant and the firm, corporation or association on whose behalf the applicant is authorized to solicit. The Certificate of Registration is non-transferrable in all respects. It shall constitute a violation of this Section for a solicitor whose Certificate of Registration authorizes soliciting on behalf of a person or firm named in a Certificate of Registration to solicit on behalf of any other person or firm, organization, or association or for any purpose other than that specified in the application. Any Certificate of Registration used by a person other than the person to whom it was originally issued is void, and the City is authorized to confiscate and immediately cancel any such Certificate of Registration.

(10) Certificate Registry. The Registration Officer shall maintain and make available for public inspection a record of every application received together with any information pertaining thereto, all Certificates of Registration issued, and all pending and denied applications, with the exception of any portion of the application received and any information pertaining thereto that qualifies as private or protected within the meaning of the Government Records Access and Management Act, *Utah Code Ann.* § 63-2-101 *et seq.* Each application shall be numbered in consecutive order and each Certificate of Registration issued shall be assigned a number exclusive to the registered solicitor. Each Certificate of Registration renewed shall be identified with the duplicate number of the application upon which it was initially issued. The Registration Officer shall furnish to the Chief of Police or the Director of Public Safety a listing of all Certificates of Registration issued and renewed and such Chief or Director shall maintain such listing for public inspection and for identification.

(11) Revocation of Certificate. Any Certificate of Registration issued pursuant to the provisions of this Section shall be revoked by the Registration Officer if, following issuance of the Certificate of Registration, the Registration Officer determines that the registered solicitor was convicted of a violation of this Section or committed an act or became subject to a condition that would disqualify him or her from receiving a Certificate of Registration under Subsection (e)(4) of this Section. Notice of revocation shall be immediately given to the registered solicitor by personal service or certified mail to the address listed on the application and, if applicable, to the organization for which the registered solicitor was soliciting. The notice shall set forth the factual basis for the revocation and, if applicable, the specific provision(s) of Subsection (e)(4) of this Section that identifies and defines the disqualifying conduct. Immediately upon the giving of such notice, the Certificate of Registration shall become void and shall remain so until the revocation is rescinded. Upon receiving notice of revocation of any Certificate of Registration, the registered solicitor shall forthwith return the related badge to the City.

(12) Appeal. An applicant whose registration is denied by the License Officer or a registered solicitor whose Certificate of Registration is revoked by the License Officer shall have the right to appeal such denial or revocation to the Council at a meeting to be held no later than twenty (20) business days following the City's receipt of the applicant's notice of appeal. The notice of appeal shall be in writing and shall be delivered either in person upon written receipt or by certified U.S. mail to the Fruit Heights City Recorder, with a copy to the Registration Officer, within ten (10) business days of the applicant's or

registered solicitor's receipt of the decision from which the appeal is taken. Such notice of appeal shall identify the applicant or registered solicitor, set forth the decision of the Registration Officer that is being appealed, and state the grounds for appeal. Within ten (10) business days of the meeting at which the applicant's or registered solicitor's appeal is heard, the City Council shall issue a decision either affirming or reversing the actions of the Registration Officer in denying an applicant's registration or revoking the registered solicitor's Certificate of Registration.

(f) Deceptive Soliciting Practices Prohibited.

(1) No solicitor shall make any materially false or fraudulent statement in the course of soliciting. No solicitor shall fail to state a material fact necessary to make statements made, in the context of the circumstances under which they are made, not misleading.

(2) A solicitor shall immediately disclose to the resident at the beginning of any face-to-face solicitation, either verbally or by means of a writing to be handed to the resident, (i) the name of the solicitor; (ii) the name and address of the entity with whom the solicitor is associated or for which the solicitor is engaging in solicitation; and (iii) the purpose of the solicitor's contact with the resident.

(3) No solicitor shall use a fictitious name, an alias, or any name other than his or her legal name.

(4) No solicitor shall represent directly or by implication that the City endorses the solicitation, or that the granting of a Certificate of Registration implies endorsement by the City of the solicitor or his or her product or service.

(g) "No Soliciting" Notices.

(1) Any resident may give notice of his or her unwillingness to listen to solicitations or receive solicitors by displaying at his or her residence a placard or sign no smaller than 16 square inches stating "No Soliciting," "No Solicitors," "No Trespassing" or words of similar import. Such placard or sign shall be posted on or near the main entrance door or on or near the property line adjacent to the sidewalk leading to the residence.

(2) The display of a "No Soliciting" or similar sign or placard shall constitute notice to any solicitor that the resident is unwilling to listen to solicitations.

(h) Certain Solicitations Prohibited.

(1) It shall be a violation of this Section for any solicitor to attempt to solicit at a residence at or on which has been posted a "No Soliciting" sign or placard in accordance with Subsection (g) of this Section. All solicitors are under the legal obligation to affirmatively check each residence for any such sign or placard. If such sign or placard is posted, a solicitor shall desist from any efforts to solicit at the residence and shall immediately depart therefrom.

(2) It is a violation of this Section for any solicitor to knock on the door, ring the door bell, or in any other manner attempt to attract the attention of an occupant of a residence that bears a "No Soliciting" or similar sign or placard. It is a violation of this Section for any solicitor through ruse, deception, or concealment of a purpose to solicit, to take action calculated to secure an audience with the occupant of a residence that has posted a "No Soliciting" or similar sign or placard.

(3) It is a violation of this Section for any solicitor who is at any time asked by the resident to leave, to fail to immediately and peacefully depart.

(i) Time of Day. It shall be unlawful for any person, whether a registered solicitor or not, to solicit any person at a residence before 8:00 a.m. or after 9:00 p.m. Mountain Time on business days, or before 9:00 a.m. or after 9:00 p.m. Mountain Time, on Saturdays, Sundays, or legal holidays as set forth in *Utah Code Ann.* § 63-13-2, unless the solicitor has express prior permission from the resident to do so.

(j) Right to Residential Solicitation Sale. In any residential solicitation sale, unless the buyer requests the seller to provide goods or services without delay in an emergency, the solicitor shall present to the resident and obtain resident's signature to a written statement which informs the resident of his or her unconditional right to cancel the sale on or before the third business day after the date of sale. Any documents memorializing the sale shall accurately set forth the date of the sale. Such notice of "Buyer's right to cancel" shall be in the form required by *Utah Code Ann.* §70C-5-103, or a current or amended version thereof or any State or federal law modifying or amending such provision.

(k) Penalties. Any person who engages in soliciting without complying with the requirements of this Section or violates any other terms or provisions of this Section shall be guilty of a class 'B' Misdemeanor and shall be punished by a fine of not to exceed \$1,000.00 and/or a jail sentence of not to exceed six (6) months. A second offense within five years of a prior conviction under this Section may be prosecuted and punished as a class A Misdemeanor.

(l) Private Right of Action. A resident who has suffered injury or damage as the result of violation of this Section shall have the right to bring a civil action for damages against the violator in the appropriate court within the State of Utah

The provisions codified in this Chapter shall be known and may be referred to as the "Sexually Oriented Business and Employee Licensing Ordinance."

6A-06-020. Purpose and Findings.

(a) Purpose. It is the purpose of this ordinance to regulate sexually oriented businesses and related activities to promote the health, safety, morals, and general welfare of the citizens of the City, and to establish reasonable and uniform regulations to prevent the deleterious location and concentration of sexually oriented businesses within the City. The provisions of this ordinance have neither the purpose nor effect of imposing a limitation or restriction on the content

of any communicative materials, including sexually oriented materials. Similarly, it is not the intent nor effect of this ordinance to restrict or deny access by adults to sexually oriented materials protected by the First Amendment, or to deny access by the distributors and exhibitors of sexually oriented entertainment to their intended market. Neither is it the intent nor effect of this ordinance to condone or legitimize the distribution of obscene materials.

(b) Findings. Based on evidence concerning the adverse secondary effects of adult uses on the community presented in hearings and in reports made available to the City Council, and on findings incorporated in the cases of *City of Los Angeles v. Alameda Books, Inc.*, 535 U.S. 425 (2002); *City of Erie v. Pap's A.M.*, 529 U.S. 277 (2000); *Barnes v. Glen Theatre, Inc.*, 501 U.S. 560 (1991); *City of Renton v. Playtime Theatres, Inc.*, 475 U.S. 41 (1986); *Arcara v. Cloud Books, Inc.*, 478 U.S. 697, (1986); *Iacobucci v. City of Newport, Ky*, 479 U.S. 92 (1986); *Young v. American Mini Theatres*, 427 U.S. 50 (1976); *California v. LaRue*, 409 U.S. 109 (1972); *United States v. O'Brien*, 391 U.S. 367 (1968); *DLS, Inc. v. City of Chattanooga*, 107 F.3d 403 (6th Cir.1997); *Kev, Inc. v. Kitsap County*, 793 F.2d 1053 (9th Cir.1986); *Hang On, Inc. v. City of Arlington*, 65 F.3d 1248 (5th Cir.1995); *South Florida Free Beaches, Inc. v. City of Miami*, 734 F.2d 608 (11th Cir.1984); and *N.W. Enterprises v. City of Houston*, 27 F.Supp. 2d 754 (S.D. Tex.1998), as well as studies conducted in other cities including, but not limited to, Phoenix, Arizona; Minneapolis, Minnesota; Houston, Texas; Indianapolis, Indiana; Amarillo, Texas; Garden Grove, California; Los Angeles, California; Whittier, California; Austin, Texas; Seattle, Washington; Oklahoma City, Oklahoma; Cleveland, Ohio; and Beaumont, Texas; and findings reported in the Final Report of the Attorney General's Commission on Pornography (1986), the Report of the Attorney General's Working Group On the Regulation Of Sexually Oriented Businesses (June 6, 1989, State of Minnesota), and statistics obtained from the U.S. Department of Health and Human Services, Centers for Disease Control and Prevention, the City Council finds that:

(1) Sexually oriented businesses lend themselves to ancillary unlawful and unhealthy activities that are presently uncontrolled by the operators of the establishments. Further, there is presently no mechanism to make owners of these establishments responsible for the activities that occur on their premises.

(2) Crime statistics show that all types of crimes, especially sex-related crimes, occur with more frequency in neighborhoods where sexually oriented businesses are located.

(3) Sexual acts, including masturbation, and oral and anal sex, occur at sexually oriented businesses, especially those which provide private or semi-private booths or cubicles for viewing films, videos, or live sex shows.

(4) Offering and providing such booths and/or cubicles encourages such activities, which creates unhealthy conditions.

(5) Persons frequent certain adult theaters, adult arcades, and other sexually oriented businesses, for the purpose of engaging in sex within the premises of such sexually oriented businesses.

(6) At least 50 communicable diseases may be spread by activities occurring in sexually oriented businesses including, but not limited to, syphilis, gonorrhea, human immunodeficiency virus infection (HIV-AIDS), genital herpes, hepatitis B, Non A, Non B amebiasis, salmonella infections, and shigella infections.

(7) As of June, 2001, the total number of reported cases of AIDS in the United States caused by the immunodeficiency virus (HIV) was 793,025.

(8) The total number of cases of genital chlamydia trachomatis infections in the United States reported in 2000 was 702,093, a 6% increase over the year 1999.

(9) The total number of cases of early (less than one year) syphilis in the United States reported during the twelve year period 1996-2000 was 212,672.

(10) The number of cases of gonorrhea in the United States reported annually remains at a high level, with a total of 1,730,911 cases reported during the period 1996-2000.

(11) The surgeon general of the United States in his report of October 22, 1986, advised the American public that AIDS and HIV infection may be transmitted through sexual contact, intravenous drug use, exposure to infected blood and blood components, and from an infected mother to her newborn.

(12) According to the best scientific evidence available, AIDS and HIV infection, as well as syphilis and gonorrhea, are principally transmitted by sexual acts.

(13) Sanitary conditions in some sexually oriented businesses are unhealthy, in part, because the activities conducted there are unhealthy, and, in part, because of the unregulated nature of the activities and the failure of the owners and operators of the facilities to self-regulate those activities and maintain those facilities.

(14) Numerous studies and reports have determined that bodily fluids, including semen and urine, are found in the areas of sexually oriented businesses where persons view "adult" oriented films.

(15) Nude dancing in adult establishments encourages prostitution, increases sexual assaults, and attracts other criminal activity.

(16) Nude dancing in adult establishments increases the likelihood of drug-dealing and drug use.

(17) Alcohol consumption in adult establishments increases the likelihood of crime, illegal drug use, and illegal sexual activity, and encourages undesirable behavior that is not in the interest of the public health, safety, and welfare.

(18) The findings noted in paragraphs numbered (1) through (17) raise substantial governmental concerns.

(19) Sexually oriented businesses have operational characteristics which should be reasonably regulated in order to protect those substantial governmental concerns.

(20) A reasonable licensing procedure is an appropriate mechanism to place the burden of that reasonable regulation on the owners and operators of sexually oriented businesses. Further, such licensing procedure will place a heretofore non-existent incentive on operators to see that the sexually oriented business is run in a manner consistent with the health, safety, and welfare of its patrons and employees, as well as the citizens of the City. It is appropriate to require reasonable assurances that the licensee is the actual operator of the sexually oriented business, fully in possession and control of the premises and activities occurring therein.

(21) Removal of doors on adult booths and requiring sufficient lighting on the premises with adult booths advances a substantial governmental interest in curbing the illegal and unsanitary sexual activity occurring in adult establishments.

(22) The disclosure of certain information by those persons ultimately responsible for the day-to-day operation and maintenance of the sexually oriented

business, where such information is substantially related to the significant governmental interest in the operation of such uses, will aid in preventing the spread of sexually transmitted diseases and criminal activity.

(23) It is desirable, in the prevention of crime and the spread of communicable diseases, to obtain a limited amount of information regarding certain employees who may engage in the conduct this ordinance is designed to prevent, or who are likely to be witnesses to such activity.

(24) The fact that an applicant for a sexually oriented business license has been convicted of a sex-related crime leads to the rational assumption that the applicant may engage in that conduct in contravention to this ordinance.

(25) The barring of such individuals from operation or employment in sexually oriented businesses for a period of five (5) years for a previous felony conviction serves as a deterrent to further criminal conduct, and prevents conduct which leads to the transmission of sexually transmitted diseases.

(26) The general welfare, health, morals, and safety of the citizens of this City will be promoted by enactment of this ordinance.

(27) When more than one sexually oriented business use occupies the same location or business address, the secondary effects caused by such businesses are increased. Secondary effects are eliminated or controlled to a greater degree when only a single sexually oriented business use is allowed to occupy the same location.

6A-06-030. Application of Provisions.

This Chapter imposes regulatory standards and license requirements on certain business activities which are characterized as sexually oriented businesses, and certain employees of those businesses characterized as sexually oriented business employees. (a) The city shall establish a good landlord incentive program that provides discounts toward the payment of certain business licensing fees to owners of rental dwelling units who actively implement those aspects of the program determined by the city to be related to the control and prevention of illegal activity on rental dwelling units, and who keep their properties free of code violations that affect the quality of life within the city. All applicants for a rental dwelling license shall be informed of the availability of the program.

(b) No discount shall be provided to any landlord unless and until the city certifies that the requirements of this section and all other requirements of the good landlord incentive program have been met.

(c) No landlord shall qualify for discounts under the good landlord incentive program unless all of the following minimum requirements are met at the time of application for a rental dwelling license:

(1) The landlord, or the landlord's bona fide agent for all aspects of property management, and all managers of the landlord responsible for the day to day management of the rental dwelling units, shall attend and complete an acceptable landlord training program once every two (2) years. First time applicants must attend a pre-approved four (4) hour training course.

(A) First time applicants to the good landlord incentive program shall be required to complete the training within six (6) months of the date of application.

(B) Failure to complete the program within the time frame specified in subsection (c)(1)(a) of this section shall be grounds for disqualification from the program.

(C) Any landlord previously disqualified from the good landlord incentive program shall be required to show evidence of completion of the required training program, and pay any sums due and owing (including past due license fees, code enforcement penalties due and owing, or any other amounts owed to the city), and compliance with the provisions of this code at the time of reapplication to the good landlord incentive program.

(2) The landlord shall implement and maintain those aspects of property management determined by the city to be related to the control and prevention of illegal activity on rental property.

(3) The rental dwellings and the surrounding premises must be owned and maintained in compliance with city ordinances affecting the use, care or maintenance of real property (zoning ordinances, property maintenance regulations, fit premises regulations, property maintenance code, housing codes, health codes, etc.), and the premises kept free of any public nuisance as defined by city ordinance or state law; provided, however, that a landlord will be considered to be in compliance with this requirement if violations are corrected in the time frame required under any notice of violation.

(4) The landlord shall have paid any outstanding civil penalty assessed against the landlord for failing to correct a notice of violation applicable to the landlord's rental dwelling.

(d) The annual discount allowed under the program against the payment of business licensing fees attributable to rental dwellings shall be in accordance with the city's current consolidated fee schedule.

(e) The discount provided herein is conditioned upon the landlord's compliance with the requirements of the program during the term of the licensing year for which the discount is granted.

(1) If it is determined that a landlord, or any of a landlord's rental dwelling units, is not in compliance with the requirements of the good landlord incentive program during any portion of the licensing period for which a discount was provided, the landlord, together with all his or her rental dwelling units, shall be disqualified from the program, and the discount shall be disallowed in accordance with the provisions of Chapter 1 of this Title for the entirety of the term of such license. The landlord shall be required to pay the full fee for every rental dwelling unit listed on their license application for that year.

(2) After disqualification, the landlord may qualify for the program in the next licensing year only if the landlord has corrected the problems leading to the disqualification and paid all amounts disallowed in the prior year.
