

# FRUIT HEIGHTS CITY RIDGERUNNER NEWS

DECEMBER 2021/JANUARY 2022

## SHARE YOUR VISION FOR THE FUTURE OF FRUIT HEIGHTS

### VOICE THOUGHTS, CONCERNS, AND IDEAS THROUGH INTERACTIVE MAP, QUESTIONNAIRE

Do you have traffic concerns in Fruit Heights? Would you like to see more trails? This is your chance to share your voice. Our city is in the process of an extensive update to its General Plan. A periodic update ensures the plan reflects the long-term vision of residents today. The first step of the update is to listen and learn what you and your neighbors envision for the City's future.

While the current General Plan has been carefully followed, it was last updated in 2005. Since then, Davis County has experienced unprecedented growth. The City has hired an outside consultant, Landmark Design, to develop an update to the General Plan.

The plan will establish a clear vision for the City that balances current strengths with future needs and desires. This vision will then be translated into a complete, long-reaching General Plan that addresses land use, housing, transportation, economic development and more. ## FRUIT HEIGHTS FOCUSES ON TOGETHERNESS COMMUNITY GATHERING DECEMBER 12

After a year apart, Fruit Heights community members were looking for a fun and safe way to enjoy a seasonal gathering. For years, Fruit Heights residents gathered indoors for musical programs. This year, community members have organized, "**CHRISTMAS IN OUR COMMUNITY**", an outdoor event located on the grounds around Fruit Heights City Hall on **Sunday, Dec. 12, 6 - 7 p.m.**

Activities start right at 6 p.m. Listen to a children's chorus as well as a performance by the Fairfield Junior High Choir, Rhapsody in Blue. Enjoy refreshments served around warming stations. Experience a live nativity scene enacted by residents, complete with manger animals including sheep and donkeys.

All residents are invited, welcome and encouraged to attend. There is no charge for the event, but food donations supporting the YCC food drive are encouraged. **See more about the YCC Food Drive on reverse side.**

# YCC FOOD DRIVE IN NEED OF YOUR SUPPORT

Members of the Youth City Council are again sponsoring a Holiday Food Drive benefiting the Bountiful Food Pantry.

The Bountiful Food Pantry serves all of Davis County, including those dealing with food insecurity in our area. Last year was the YCC's most successful year, with more than two carloads of food donated. Please help the YCC gather even more food this year. **Bring donations to City Hall by Friday, Dec. 17.** For a list of items needed most by the food pantry, please visit [www.fruitheightscity.com](http://www.fruitheightscity.com).

## WINTER PARKING

From November 1 - April 1, winter parking rules apply regardless of snow on the ground. It is illegal to park on streets between Midnight and 8 a.m., or during snowfall when plows are in operation. The Davis County Sheriff's Office has started issuing warnings and citations.

## UDOT CONSTRUCTION PROJECTS

**Lloyd Road Closure:** Lloyd Road will be closed between Main Street and 1175 South for approximately one month while crews replace the water line. Area traffic should use Hidden Valley Drive as an alternate route during this work. The project should finish in January 2022.

**Nicholls Road Area:** Crews are rebuilding the center of U.S. 89 through the end of the year between Main Street and 400 North with the aim to shift northbound traffic to the center early in 2022 and begin full reconstruction activities on the east side.

Bridge work will also include ground improvements and use of large equipment through 2022. Area residents can expect ongoing noise, vibration and dust during the day while this work occurs.

**Green Road Area:** Significant utility work is ongoing for a number of services including irrigation, sewer, gas and storm drain on both sides of U.S. 89 on the frontage road as well as crossings underneath the highway through spring 2022. Area residents can expect ongoing noise, vibration and dust during the day while this work occurs.

**Cleanup Projects:** As UDOT works in and around Fruit Heights, areas requiring cleanup are created. UDOT will be back around to finish this cleanup work and complete any projects left incomplete, but UDOT's focus now is to get traffic shifted on U.S. 89 before weather becomes an issue.
